## Objective

To continue work in the field of art that will utilize my creative capabilities to their utmost potential, while generating opportunities for professional growth.

## Experience

2003-Present                      milesquaremedia.com                      Hacienda Heights, CA

### Graphic Designer/Illustrator

- Independent for my own Graphic Design Company. I specialize in Illustration, Web Design, Corporate Identity, 3-D design and Print Collateral. Clients include ViewSonic, Russell Simmons, Vince Feragamo, DBM Media, Thrive Marketing, Academic Chess and Trinet Solutions.
- 2011 Profit - 55,000

1999-2003                      Clickpath Design                      Irvine, CA

### Art Director

- Expanded our company from a web design studio to a full media design house. In charge of overseeing and producing a variety of projects from print, product design, web designs, tv commercials, online games, web design, corporate identity, and various 3-D projects.
- Salary - 55,000

1997-1999                      Academic Chess                      Lake Forest, CA

### Illustrator/Animator

- Expanded our company from a web design studio to a full media design house. In charge of overseeing and producing a variety of projects from print, product design, web designs, tv commercials, online games, web design, corporate identity, and various 3d projects.
- Salary - 40,000

1995-1996                      Penwal                      Rancho Cucamonga, CA

### Illustrator/Draftsman

- Illustrator for a design and development team. Projects included land based entertainment venues, themed restaurants, retail stores, and amusement parks. The majority of my work included designs for Warner Bros. Studio Stores (props, character statues, murals) and Mann's Chinese Theater, Colorado.
- Salary - 31,000

1993-1995                      Smart Kind,inc                      Santa Ana, CA

### Illustrator

- In charge of character development, illustration and layout of children's coloring art books. Produce original airbrushed art for covers and b & w camera ready art work for 9 booklets.
- Salary - Per project basis at 20.00 per hour

## Software

### **Prolific in all current versions of the following software:**

- Flash
- Dreamweaver
- Fireworks
- Illustrator
- Photoshop
- 3D Studio Max

## Education

1995-1999

Laguna College of Art & Design

Laguna, CA

### **Graphic Designer/Illustrator**

- Major, Illustration
- Minor, Graphic Design.

I was hired by one of my instructors who was an art director at the time for Clickpath Design. I was just 9 units shy of my B.A. degree. I eventually took over his job after one year and made the choice to put completing my education on hold.
